**25. Material Litigation**

Save for the material litigations as disclosed below, there are no other material litigations involving the Group as at 16<sup>th</sup> February 2011:

- (a) On 29<sup>th</sup> November 2006, ICB had filed a lawsuit against Japan Air Lines (“JAL”) in the U.S. District Court, Eastern District of New York for JAL's infringement of IRIS's US patent. This claim is based on the allegation that JAL's inspection of passports at United States airports infringes IRIS's patent over a method of manufacturing a secure electronic passport.

JAL has filed a motion to dismiss the claim. IRIS's solicitors, Messrs Moses & Singer LLP (the “**Solicitors**”), has opposed the motion to dismiss. The briefs on the motion had been filed in June 2007. The District Court had on 30<sup>th</sup> September 2009 granted JAL's motion to dismiss the claim and the decision stated that the patent protections conferred on IRIS conflicted with, and were superseded by JAL's federal legal obligation to inspect passenger passports. The Solicitors had, on behalf of IRIS, filed a notice to appeal to the United States Court of Appeals for the Federal Circuit in Washington and the matter is currently stayed pending the outcome of the JAL's bankruptcy proceedings in Japan.

The Solicitors of the Company stated that there are no US case precedents to indicate the likelihood of success on appeal. However, by analogy, the Solicitors pointed out that there are many regulations affecting airlines, such as JAL, as well as affecting other commercial operations, requiring these commercial entities to use intellectual property and other property that they do not own. These commercial entities do not get such property for free, and must buy them, even though regulations require that they use them. The Solicitors argued further that JAL should not be able to use IRIS' intellectual property for free, as part of their commercial operations.

The Solicitors further informed that in any event, it does not appear that this case will be heard within the next year or two, as the Federal Circuit in Washington proceedings are dependent upon the outcome of the Japanese bankruptcy proceedings. Until these proceedings are complete there is nothing for IRIS to do with respect to the JAL litigation.

Regarding the bankruptcy proceedings, on 1<sup>st</sup> November 2010, JAL stated that the stay issued by the US Bankruptcy Court remains in effect. The reorganization proceedings in Tokyo District Court are ongoing. The Debtors filed a Proposed Reorganization Plan on 31<sup>st</sup> August 2010 and the Tokyo District Court has not yet acted with respect to such plan. In short, the bankruptcy proceedings are still in progress and there is no outcome as yet.

- (b) IRIS Technologies (M) Sdn Bhd (“**ITSB**”), a wholly owned subsidiary of IRIS, and its joint venture Turkish partner Kunt Elektronik San.Ve Tic. A.S (“**KUNT**”) (“**JV Company**”) had on 17<sup>th</sup> September 2009 received a Letter of Termination dated 14<sup>th</sup> September 2009 (“**Letter of Termination**”), from Emniyet Genel Mudurlugu.

(“**EGM**”), known as General Directorate of Security in relation to the provision of Electronic Passport Issuing Systems in Turkey (“**The Agreement**”).

Pursuant to the Letter of Termination, EGM requested for refund of New Turkish Lira (“**YTL**”) 6.195 million (equivalent to approximately RM14.6 million at an exchange rate of YTL 1: RM2.36 as at 18<sup>th</sup> September 2009) which is equivalent to the first phase payment received by the Joint Venture Company between ITSB and KUNT. Subsequently, all the hardware and equipment delivered shall be returned to the JV Company.

On 18<sup>th</sup> September 2009, Messrs Sen & Arpaci had on behalf of the JV Company, made an application to the Ankara Civil Court of Turkey (“**Court**”), for an injunction to restrain EGM from claiming on the performance bond submitted by the JV Company in year 2007.

On 24<sup>th</sup> September 2009, an interlocutory injunction was obtained by the JV Company from the Court. Subsequently, on behalf of the JV Company, Messrs Sen & Arpaci had on 5<sup>th</sup> October 2009 filed a lawsuit against EGM in Ankara Court of First Instance (“**Ankara Court**”) for the unlawful termination of the Agreement. The JV Company is claiming a total of YTL 5 million from EGM and the return of the performance bond. This matter was first heard on 22<sup>nd</sup> December 2009.

On 23<sup>rd</sup> March 2010, EGM presented a counter claim, claiming approximately YTL 5.25 million from the JV Company. Specifically, the EGM is seeking to return all the hardware and equipments to the JV Company in exchange for a refund of YTL 5.25 million paid to the JV Company. The third hearing was held on 10<sup>th</sup> June 2010. The outcome of the hearing was that the judge had requested the JV Company to submit the precise damages amount(s) to be claimed against EGM so that the judge can decide which component court will hear the matter.

On 5<sup>th</sup> October 2010, JV Company had submitted new evidences for the case. The Courts accepted JV Company's submission and ordered EGM to reply to the new evidences submitted by JV Company within 20 days from 5<sup>th</sup> October 2010. However, no decision was granted at this stage to the EGM for their claims of refund of YTL 5.25 million they paid for the completion of phase 1 of the Project (for hardware and equipments delivered). At the same hearing, the Courts appointed three expert witnesses to study and analyze the case and the submissions of both Parties on commercial and technical grounds since the case is highly technical in nature. The Courts then fixed 23<sup>rd</sup> December 2010 to hear the reports from the Court's appointed specialists or expert witnesses before giving out further directions. On 23<sup>rd</sup> December 2010, the Court heard that the expert witnesses are yet to deliver their expert report or analysis of the case and stated to the Court that they need more time to analyse. The Ankara Court then fixed a new hearing date of 24<sup>th</sup> March 2011 to hear the matter.

In parallel, EGM filed additional claims of loss of opportunity amounting to YTL 13.041 million against the JV Company on 14<sup>th</sup> September 2010. On 30<sup>th</sup> November 2010, JV Company submitted evidences substantiating grounds for the rebuttal of this EGM's additional claims. On 8<sup>th</sup> February 2011's hearing, the Court granted 20 days for EGM to respond to the JV Company's earlier submitted rebuttal. The Court then fixed a new hearing date on the 12<sup>th</sup> April 2011 for the matter.

Messrs Sen & Arpacı is of opinion that the JV Company has a good chance of recovering all the amount claimed and having the performance bond returned. Messrs Sen & Arpacı is also of the view that the counter claim filed by EGM is likely to be rejected by the Ankara Court.
